

Rider of the Quarter for January - March 2018

NOMINATION FORM

I would like to start a Rider of the Quarter [ROTQ] for each Area, as well as a Rider of the Year [ROTY] to be awarded at each convention.

Rider of the Quarter nominations would be submitted to your Area Vice President and Rider of the Year would be submitted through your Area Vice President to the ALR DEC.

These awards would allow us to recognize those of you who are very active in your post, squadron, unit, and community. Very often, we have people doing great things and it is time to recognize them. Recipients will be given a certificate of commendation as well as being mentioned in our quarterly newsletter.

*****NOTE:** *Nominees submitted will be eligible for Rider of the Year which will be awarded at the Annual DOC conventions.*

Please submit all recommendations and the reasons why we should choose them to your Area VP. We will vote on it during our March DEC meeting.
